

NORMA Telescopic Fittings

UP TO

THREE TIMES

FASTER

Speed up the process of repairing a broken pipe!

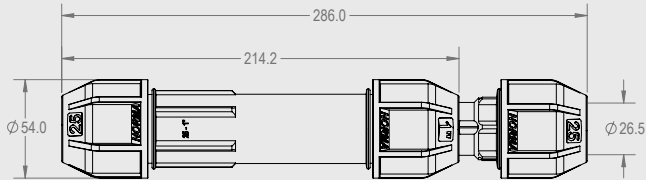

✓ No additional components required for fixing the pipe

✓ Easy repair of damaged pipe sections

✓ No need to dig as far to perform a repair job

✓ UV stabilised to perform even in harsh sunny conditions

Telescopic Fitting

Applications

For repairing broken pipe sections, while reducing the physical labour involved. It is no longer necessary to create enough distance between two connectors to flex the new pipe into place. Simply remove the broken section and use a telescopic fitting to connect one end and extend the other.

Material

Nut	Polypropylene
Bodies	Polypropylene
Clinching Ring	POM (Acetal)
O-Rings	NBR

Part number	Description	Cut area (mm)	Max. insertion depth (mm)	Ø DN (mm)	Packaging quantity (pcs)
